Subj: MEMBERSHIP REQUIREMENTS FOR SELECTION BOARDS CONVENING BETWEEN  
AUGUST 2010 THROUGH AUGUST 2011

Encl: (1) Selection Board Schedule  
(2) Board Recorder Supplement  
(3) Selection Board Requirements

1. Purpose. To publish the requirements for any boards convening during the remainder of FY10 and those boards convening during FY11. These boards include active and reserve officer promotion boards, enlisted promotion boards, school selection boards, command screen boards, and several specialty boards.

2. Background

a. Enclosure (1) lists the boards convening during the remainder of FY10 that were not announced in the previous MCBUL. The enclosure also lists those boards that will convene during FY11. Enclosure (2) delineates recorder requirements for boards consisting solely of general officers. Enclosure (3) prescribes the number of officers/staff noncommissioned officers (SNCO) by grade, military occupational specialty, or occupational field requirements for each board as required from commands or HQMC agencies.

b. Upon approval of the board member nominations by CMC (MM), appropriation data will be forwarded to individual commands by separate correspondence. Reporting instructions and board details will be provided by the particular board sponsor.

3. Action

a. Commander's Intent

(1) CMC requires that selection board members possess the highest professional qualifications. Approval for board membership will be predicated on these qualifications after a thorough review of performance records by the Director, Manpower Management Division (MM).

(2) The future of our Corps requires that we select the best qualified Marines for promotion, retention, school, or command. It is the responsibility of commanders to nominate those officers and staff noncommissioned officers of the highest caliber to serve on these boards as members.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

(3) Officers and staff noncommissioned officers who are presently pending promotion and/or frocked to their current grade are not eligible for board membership at the selected/frocked grade.

(4) Quotas have been divided among Headquarters Marine Corps; Marine Corps Combat Development Command; Training and Education Command; Logistics Command; Marine Corps Recruiting Command; Marine Corps Systems Command; Marine Corps Special Operations Command; Commander, Marine Forces Pacific; Commander, Marine Forces Command; and Commander, Marine Forces Reserve. Board membership includes proportional representation from Headquarters Marine Corps staffs, operating forces, and the supporting establishment.

(5) All board members, recorders and assistant recorders should possess basic computer skills.

(6) Officers and SNCOs inbound to or outbound from a command will not be considered as nominees except by mutual agreement of the gaining and losing commands.

(7) The Limited Duty Officer (LDO) LtCol/Maj Promotion Board will have specific occupational field requirements based on the promotion plan. CMC (MMOA) will determine the location of officers of the required occupational fields and prepare a tasking message prior to the board's convening date. Due to the limited number of LtCol/Maj LDO's and the Secretary of the Navy restriction on serving on consecutive boards, there is limited membership flexibility.

(8) Officers and SNCOs recommended as board members cannot serve on promotion boards considering the same grade during two consecutive years, (e.g., FY08 and FY09 USMC Major Selection Board).

(9) Officers being considered by a promotion board may not serve as members or recorders for that board.

(10) Officers assigned counseling responsibilities at Headquarters, U.S. Marine Corps, for personnel who failed selection for promotion may not serve as members on the next promotion board which considers the record of an officer he or she counseled. However, they may serve as recorders.

(11) Officers assigned as career monitors may not serve as members or recorders for a promotion board while serving in those assignments or for one year following reassignment.

(12) Normally, officers who have requested retirement should not be nominated for promotion board duty. However, in small competitive categories, officers who requested retirement may be nominated, with supporting justification, when officers who have not requested retirement are not available.

(13) The confidentiality of board membership must be maintained. Commands will not divulge the names of members of their command who have been either nominated or selected to serve on a selection board.

(14) Each board has specific requirements as established by law and/or Marine Corps policy. These requirements include but are not limited to diversity, gender, acquisition specialties, combat service support, ground

JUN 23 2010

combat arms, command experience, school experience, joint duty, and fixed or rotary wing officers. In some cases the eligible population is very small and few officers are available to perform this service. In the cases of required gender and diversity representation, the requirements establish a minimum, not maximum participation. Commands may nominate minorities and females as board members even when not tasked to do so, provided they meet other identified requirements. In the event that a desired representative mix is not attained through initial board member solicitation, Director, Manpower Management Division reserves the right to add or remove board members without respect to the taskings in this bulletin to achieve the optimal membership.

b. Concept of Operations

(1) Upon receipt of this Bulletin, Commanders and HQMC staff agencies should review their taskings and notify CMC (MMOA-3) as soon as possible, with justification, if they are unable to comply with the enclosed board membership requirements.

(2) Commanders and HQMC staff agencies shall submit the names of nominees for each of their board requirements. Exceptions to this requirement must be justified and approved by the CMC through the Director, Manpower Management Division. The nomination must include a telephone number and an e-mail address for each nominee. Nominees must be fully qualified and available to serve for the duration of the board. Selection to serve on the board will be based on the individual's overall professional qualifications.

(3) For the selection board process to function effectively, command nominations must be received by CMC (MMOA-3) 90 days prior to the convening date of the board for promotion boards and 75 days for all other boards. CMC (MMOA-3) will notify commands of approved membership upon approval of the membership by the Director, Manpower Management Division. Statutory board precepts (officer promotion boards) must go through CMC to the Secretary of the Navy for signature. Once this process has begun, changes to board membership are problematic as the changes must go back through the chain of command for the Secretary of the Navy approval. Promotion boards cannot convene without a precept signed by the Secretary of the Navy. The process for non-statutory boards is similar except these board precepts require CMC's signature. Overall, changing board membership is difficult and can jeopardize a board's convening date. Only bona fide emergencies will be considered.

(4) Changes to non-statutory board membership will be made only upon approval of the Director, Manpower Management Division; board membership changes to statutory boards must be approved by the Secretary of the Navy. In situations where changes to board membership are required and justified, those requests must be submitted to CMC (MMOA-3) by naval message or e-mail with the justification for the proposed change. Telephonic confirmation of receipt with CMC (MMOA-3) must be completed by the requesting MARFOR commander or HQMC staff agency upon submission of the request. Command preference will not be considered sufficient justification to effect a change.

(5) Commanders and HQMC staff agencies are encouraged to contact CMC (MMOA) if required, in determining the qualifications of potential board member nominees.

(6) Access to an online medium will suffice for directives that can be obtained from the Internet, CD-ROM, or other sources. For purposes of inspection, electronic files will suffice and need not be printed. For commands without access to the internet, hard copy and CD-ROM versions of Marine Corps directives can be obtained through the Marine Corps Publication Distribution System (MCPDS).

4. Reserve Applicability. This Marine Corps Bulletin is applicable to the Marine Corps Total Force.
