The AFDCBs may be established by installation, base, or station commanders to advise and make recommendations to commanders on matters concerning eliminating conditions, which adversely affect the health, safety, welfare, morale, and discipline of the Armed Forces.

- a. For the Army, routine off-limits actions must be processed by AFDCBs following the procedures in paragraph 2-6, below, and appendix B.
- b. Coast Guard commanders must have written authorization from the Commandant (G-WP) prior to establishing AFDCBs.

#### **2-2. Composition of boards**

a. Boards should be structured according to the needs of the command, with consideration given to including representatives from the following functional areas:

- (1) Law enforcement.
- (2) Legal counsel.
- (3) Health.

- (6) Equal opportunity.
- (7) Fire and safety.
- (8) Chaplains' service.
- (9) Alcohol and drug abuse.
- (10) Personnel and community activities.
- (11) Consumer affairs.

*b.* Sponsoring commanders will designate a board president and determine, by position, which board members will be voting members. Such designations will be included in a written agreement establishing the board.

*a.* Civil agencies or individuals may be invited to board meetings as observers, witnesses, or to provide assistance where they possess knowledge or information pertaining to problem areas within the board's jurisdiction.

*b.* Announcements and summaries of board results may be provided to appropriate civil agencies.

### **2-4. Duties and functions of boards**

The AFDCBs will—

*a.* Meet as prescribed by appendix B.

*b.* Receive reports and take appropriate action on conditions in their area of responsibility relating to any of the following:

- (1) Disorder and lack of discipline.

(1) Conditions cited in subparagraph *b*, above.

(2) Recommended action as approved by the board's sponsoring commander.

*d.* Coordinate with appropriate civil authorities on problems or adverse conditions existing in the board's area of jurisdiction.

*e.* Make recommendations to commanders in the board's area of jurisdiction concerning off-installation procedures to prevent or control undesirable conditions.

### **2-5. Administration**

*a.* Commanders are authorized to acquire, report, process, and store information concerning persons and organizations, whether or not affiliated with DOD, according to the applicable Service regulations of the sponsoring commander, which—

- (1) Adversely affect the health, safety, morale, welfare, or discipline of Service personnel, regardless of status.

*d.* Records of board proceedings will be maintained as prescribed by records management policies and procedures of the sponsoring commander's Service.

### **2-6. Off-limits establishments and areas**

*a.* The establishment of off-limits areas is a function of command. It may be used by commanders to help maintain good order and discipline, health, morale, safety, and welfare of Service personnel. Off-limits action is also intended to prevent Service personnel from being exposed to or victimized by crime-conducive conditions. Where sufficient cause exists, commanders retain substantial discretion to declare establishments or areas temporarily off-limits to personnel of their respective commands in emergency situations. Temporary off-limits restrictions issued by commanders in an emergency situation will be acted upon by AFDCBs as a first priority. As a matter of policy, a change in ownership, management, or name of any off-limits establishment does not, in and of itself, revoke the off-limits restriction.

*b.* Service personnel are prohibited from entering establishments or areas declared off-limits according to this regulation. Violations may subject the member to disciplinary action per applicable Service regulations and the Uniform Code of Military Justice. Family members of Service personnel and others associated with the Service or installation should be made aware of off-limits restrictions. As a general policy, these establishments will not be

visited by Service law enforcement personnel unless specifically determined by the installation commander that visits or surveillance are warranted.

*c.* Prior to initiating AFDCBs action, installation commanders will attempt to correct adverse conditions or situations through the assistance of civic leaders or officials.

*d.* Prior to recommending an off-limits restriction, AFDCBs will send a written notice (certified mail–return receipt requested) to the individual or firm responsible for the alleged condition or situation. The AFDCBs will specify, in the notice, a reasonable time for the condition or situation to be corrected, along with the opportunity to present any relevant information to the board. If subsequent investigation reveals that the responsible person has failed to take corrective action, the board will recommend the imposition of the off-limits restriction (see app B).

*e.* A specified time limit will not be established when an off-limits restriction is invoked. The adequacy of the corrective action taken by the responsible individual will be the determining factor in removing an off-limits restriction.

*f.* A person whose establishment or area has been declared off-limits may, at any time, petition the president of the board to remove the off-limits restriction. The petition will be in writing and will include a detailed report of action taken to eliminate the condition or situation that caused imposition of the restriction. The president of the Armed Forces Disciplinary Control Board may direct an investigation to determine the status of corrective actions noted in the petition. The board will either recommend removal or continuation of the off-limits restriction to the local sponsoring commander based on the results of the investigation.

*g.* Off-limits procedures to be followed by the boards are in appendix B. In the United States, off-limits signs will not be posted on civilian establishments by U.S. military authorities.

*h.* In areas outside of the continental United States (OCONUS), off-limits and other AFDCBs procedures must be consistent with existing Status of Forces Agreements (SOFAs).

### **Armed Forces Disciplinary Control Board Procedures Guide**

#### **B-1. Purpose**

This guide prescribes procedures for the establishment, operation, and coordination of AFDCBs. The AFDCBs' proceedings are not adversarial in nature.

#### **B-2. Meetings**

*a.* The board will meet quarterly. The commander establishing the board may specify whether the meetings will be open or closed. If not specified, the decision is at the discretion of the president of the board. Normally proceedings are closed, but may be opened to the public when circumstances warrant.

*b.* Special meetings may be called by the president of the board. Except by unanimous consent of members present, final action will be taken only on the business for which the meeting was called.

*c.* A majority of voting members constitutes a quorum for board proceedings.

#### **B-3. Armed Forces Disciplinary Control Board composition**

Voting members will be selected per paragraph 2-2, above.

#### **B-4. Attendance of observers or witnesses**

*a.* The board may invite individual persons or organization representatives as witnesses or observers if they are necessary or appropriate for the conduct of board proceedings. The below listed authorities may assist in addressing installation or command concerns or issues.

(1) Federal, State, and local judicial, legislative, and law enforcement officials.

(2) Housing regulation and enforcement authorities.

(3) Health and social service authorities.

(4) Environmental protection authorities.

(5) Alcoholic beverage control authorities.

(6) Equal employment opportunity authorities.

(7) Consumer affairs advocates.

(8) Chamber of Commerce representatives.

(9) Public works or utility authorities.

(10) Local fire marshal and public safety authorities.

(11) State and local school board or education officials.

(12) Any other representation deemed appropriate by the sponsoring command such as, news media, union representatives, and so forth.

*b.* Invited witnesses and observers will be listed in the minutes of the meeting.

#### **B-5. Appropriate areas for board consideration**

*a.* Boards will study and take appropriate action on all reports of conditions considered detrimental to the good order and discipline, health, morale, welfare, safety, and morals of Armed Forces personnel. These adverse conditions include, but are not limited to, those identified in paragraph 2-4, above.

*b.* The board will immediately forward to the local commander reported circumstances involving discrimination based on race, color, sex, religion, age, or national origin.

#### **B-6. Off-limit procedures**

*a.* Off-limits restrictions should be invoked only when there is substantive information indicating that an establishment or area frequented by Armed Forces personnel presents conditions, which adversely affect their health, safety, welfare, morale, or morals. It is essential that boards do not act arbitrarily. Actions must not be of a punitive nature. Boards should work in close cooperation with local officials and proprietors of business establishments and seek to accomplish their mission through mutually cooperative efforts. Boards should encourage personal visits by local

military and civilian enforcement or health officials to establishments considered below standard. The AFDCBs should point out unhealthy conditions or undesirable practices to establishment owners or operators to produce the desired corrective action.

*b.* In cases involving discrimination, the board should not rely solely on letters written by the Equal Opportunity Office and Military Affairs Committee or investigations of alleged racial discrimination.

*c.* If the board decides to attempt to investigate or inspect an establishment, the president or a designee will prepare and submit a report of findings and recommendations at the next meeting. This procedure will ensure complete and documented information concerning questionable adverse conditions.

*d.* When the board concludes that conditions adverse to Armed Forces personnel do exist, the owner or manager will be sent a letter of notification (see fig B-1). This letter will advise him or her to raise standards by a specified date and if such conditions or practices continue, off-limits proceedings will be initiated. Any correspondence with the individuals responsible for adverse conditions, which may lead to off-limits action, will be by certified mail.

*e.* If a proprietor takes remedial action to correct undesirable conditions previously noted the board should send a letter of appreciation (see fig B-2) recognizing this cooperation.

*f.* If undesirable conditions are not corrected, the proprietor will be invited to appear before the AFDCB to explain why the establishment should not be placed off-limits (see fig B-3). Any proprietor may designate, in writing, a representative to appear before the board on his or her behalf.

*g.* In cases where proprietors have been invited to appear before the board, the president of the board will perform the following:

- (1) Prior to calling the proprietor—
  - (a)* Review the findings and decision of the previous meeting.
  - (b)* Call for inspection reports.
  - (c)* Allow those present to ask questions and discuss the case.
- (2) When the proprietor or his or her representative is called before the board—
  - (a)* Present the proprietor with a brief summary of the complaint concerning the establishment.
  - (b)* Afford the proprietor an opportunity to present matters in defense.
  - (c)* Invite those present to question the proprietor. After the questioning period, provide the proprietor an opportunity to make a final statement before being dismissed.
- (3) Deliberations on recommended actions will be in closed session, attended only by board members.

*h.* The board should recommend an off-limits restriction only after the following:

- (1) The letter of notification (see fig B-1) has been sent.
- (2) An opportunity for the proprietor to appear before the board has been extended.
- (3) Further investigation indicates that improvements have not been made.

*i.* The minutes will indicate the AFDCB's action in each case. When a recommendation is made to place an establishment off-limits, the minutes will show the procedural steps followed in reaching the decision.

*j.* Recommendations of the AFDCB will be submitted to the sponsoring commander for consideration. The recommendations will then be forwarded to other installation commanders who are represented on the board (see fig B-4). If no objection to the recommendations is received within 10 days, the sponsoring commander will approve or disapprove the recommendations and forward the decision to the AFDCB president.

*k.* Upon approval of the AFDCB's recommendations, the president will write the proprietor that the off-limits restriction has been imposed (see fig B-5).

*l.* A time limit should not be specified when an off-limits restriction is revoked. The adequacy of the corrective action taken by the proprietor of the establishment must be the determining factor in removing the off-limits restriction.

*m.* Military authorities may not post off-limits signs or notices on private property.

*n.* In emergencies, commanders may temporarily declare establishments or areas off-limits to Service personnel subject to their jurisdiction. The circumstances for the action will be reported as soon as possible to the commander sponsoring the board. Detailed justification for this emergency action will be provided to the board for its deliberations.

*o.* Appropriate installation commanders will publish a list of off-limits establishments and areas using command and media channels.

## **B-7. Removal of off-limits restrictions**

*a.* Removal of an off-limits restriction requires AFDCB action and approval by the sponsoring commander. Proprietors of establishments declared off-limits should be advised that they may petition the appropriate AFDCB at any time. In their petition they should submit the reason why the restriction should be removed. A letter of notification for continuance of the off-limits restriction should be sent to the proprietor if the sponsoring commander does not remove the off-limits restriction (see fig B-6). The proprietor may appeal to the next higher commander after exhausting all appeals at the local sponsoring commander level. Boards should make at least quarterly inspections of off-limits establishments. A statement that an inspection has been completed should be included in AFDCB minutes.

*b.* When the board learns that the proprietor has taken adequate corrective measures, the AFDCB will take the following actions:

- (1) Discuss the matter at the next meeting and make an appropriate recommendation.
- (2) Forward a recommendation for removal of the off-limits restriction to the sponsoring commander. If approved, a letter removing the restriction (see fig B-7 or fig B-8) will be sent to the proprietor.
- (3) Reflect action taken in the minutes.

#### **B-8. Duties of the Armed Forces Disciplinary Control Board president**

The president of the AFDCB will—

- a.* Schedule and preside at all AFDCB meetings.
- b.* Provide an agenda to each voting member at least 72 hours prior to the meeting.
- c.* Ensure records, minutes, and correspondence are prepared, distributed, and maintained per this regulation (see para 2-5*d*).

#### **B-9. Commanders**

The installation commander and commanders within an AFDCB's area of responsibility must be thoroughly acquainted with the mission and services provided by AFDCBs. The AFDCB members should keep their respective commanders informed of command responsibilities pertaining to AFDCB functions and actions.

#### **B-10. Public affairs**

*a.* Due to the sensitive nature of the subject matter, there will not be a media release in connection with AFDCB meetings. However, any AFDCB proceeding, which is open to the public, will also be open to representatives of the news media. Unless identified as a witness, representatives of the news media will be considered observers and will not participate in matters considered by the AFDCB. Members of the news media may also be invited to participate in an advisory status in coordination with the public affairs office.

*b.* News media interviews and releases will be handled through the public affairs office according to applicable Service regulations.

#### **B-11. Minutes**

*a.* Minutes will be prepared in accordance with administrative formats for minutes of meetings prescribed by the Service of the sponsoring commander (see fig B-9). The written minutes of AFDCB meetings will constitute the official record of the AFDCB proceedings. Verbatim transcripts of board meetings are not required. The reasons for approving or removing an off-limits restriction, to include a complete address of the establishment or area involved, should be indicated in the order of business. In addition, the AFDCB's action will be shown in the order or sequence of actions taken. A change in the name of an establishment or areas in an off-limits restriction will also be included.

*b.* Distribution of the minutes of AFDCB meetings will be limited to the following:

(1) Each voting member, sponsoring command, commands, and installations represented by the board and military advisory member, if deemed appropriate.

(2) Civilian and Government agencies within the State in which member installations are located having an official interest in the functions of the board, if appropriate, in accordance with the Freedom of Information Act and the Privacy Act.

*c.* The AFDCB minutes are subject to release and disclosure in accordance with applicable Federal laws, Service regulations, and directives.

*d.* Minutes and recommendations of the board will be forwarded to the sponsoring commander for approval.
