(2) HQMC Organizational Chart

1. Situation. To publish current information on the Headquarters Marine Corps (HQMC) organization, and to direct use of HQMC organizational codes on communications from and to HQMC.

2. Cancellation. MCO 5216.9X.

3. Mission. HQMC consists of the Commandant of the Marine Corps (CMC) and those staff agencies that advise and assist him in discharging his responsibilities prescribed by law and higher authority. This Order outlines the HQMC organization and each organizations' abbreviated code used for communication purposes.

4. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent

(a) HQMC organizational codes are to be placed on mail (correspondence, route sheets, and envelopes) from and to the CMC. These codes identify the HQMC originator and/or the intended HQMC recipient.

(b) Organization codes and symbols, when known, are required for each addressee (except commercial addressees) on all naval messages originated by the Marine Corps. Place organization codes and symbols in the "From," "To," and/or "Info" lines on messages immediately following the Plain Language Address (PLA). Use the organizational codes listed in enclosure (1) when addressing messages to the CMC.

(c) Consolidate outgoing correspondence per paragraph 4001 of reference (a). Place the phrase "CONTAINS CONSOLIDATED CORRESPONDENCE" on the lower left quadrant of the outside envelope when mailing the consolidated correspondence to the CMC. Properly address each piece of mail inside the envelope; a proper address includes the correct HQMC organizational code in parentheses. Follow the examples on the following page:

(2) Concept of Operations

(a) Enclosure (1) is a detailed breakdown of HQMC organizations and their codes. Enclosure (2) depicts the major staff agencies of HQMC (departments and separate divisions).

d. The generation, collection or distribution of personally identifiable information (PII) and management of privacy sensitive information shall be in accordance with the Privacy Act of 1974, as amended, per references (e) and (f).
