Chapter 4

Special Initial Clothing Allowances for Navy
(Active and Reserve Personnel)

1. Special Initial Clothing Allowance. Navy personnel serving with Marine Corps units are authorized Special Initial Clothing allowances, per the following guidance. This information clarifies and amplifies guidance provided in reference (a).

2. Special Initial Utility Uniform Allowance (SIUUA)

a. The SIUUA is intended for Navy enlisted personnel who routinely wear the utility uniform during the performance of their work while assigned to Marine Corps units.

b. Navy officers may purchase and wear the utility uniform at their option and expense.

c. The SIUUA is authorized for Active Navy enlisted personnel and Reserve Navy enlisted personnel on extended active duty (greater than 179 days of continuous active duty), permanently assigned or assigned on a temporary additional duty (TAD) basis for augmentation purposes due to contingency operational commitments to Marine Corps Forces.

d. Authorized Navy enlisted personnel will receive only one entitlement to this allowance during any one period of continuous assignment to such duty. Additionally, personnel who have received this allowance will not be authorized a subsequent allowance of the same items upon assignment to a new Marine Corps unit if less than three years have elapsed between assignments (i.e., there must be a 3-year break in service with the Marine Corps in order to receive a new SIUUA).

e. The SIUUA may be furnished under the provisions of this Bulletin and consists of the following items in the quantities indicated.

f. Drilling Selected Naval Reservists on inactive duty assigned to Selected Marine Corps Reserve support units are also authorized the SIUUA, per paragraph 2e, preceding. Once issued, any necessary uniform replacements will be governed by the Reserve in-kind issue system described in reference (a).

3. Notes: Special Initial Utility Uniform Allowance (SIUUA)

a. Only one issued to inspector-instructor staff personnel.

b. Issued only to the Navy ratings indicated and not issue to paygrades E-7 through E-9.

c. Optional plain, olive drab short and long sleeve crew-neck shirts, that meet the command's minimum safety standards and have a Marine Corps approval identification number, may be used to satisfy this requirement.

d. Olive drab trunks of any material that resemble the current issued shorts will satisfy minimum requirements.

e. MCCB or the RAT boots may be worn and meet the minimum requirement.

f. Black field glove shells, if issued instead of the coyote shells, will meet the minimum requirement.

g. The black and olive drab cushion sole boot socks will meet the minimum requirement. (Optional)

4. Special Initial Service Uniform Allowance (SISUA)

a. The SISUA is intended for Navy Hospital Corpsmen (HMs), and Religious Program Specialists (RPs), both Active and Reserve on extended active duty, permanently assigned to Marine Corps units (other than operating force combat-committed units) and drilling Selected Naval Reserve personnel in these ratings on inactive duty assigned to Selected Marine Corps Reserve support units. Those assigned to operating force combat-committed units will receive the SIUUA only.

b. Navy officers may purchase and wear the Marine Corps service uniform at their option and expense.

c. Authorized Navy enlisted personnel will be given a 60-day option period in which to elect to wear the Marine Corps service uniforms. This 60-day period begins upon the member reporting to the gaining command. Those who elect to wear and maintain Marine Corps service uniforms will be provided the SISUA. Navy personnel who receive this allowance will be required to wear these uniforms, as directed, for the duration of their continuous service with a Marine Corps organization and will abide by Marine Corps uniform and grooming regulations. Those who elect not to wear Marine Corps service uniforms will wear their Navy service uniforms, when service uniforms are required.

d. Navy enlisted personnel will receive only one entitlement to this allowance during any one period of continuous assignment to such duty.

e. Navy enlisted personnel who have received this allowance will not be authorized a subsequent allowance of the same items upon assignment to a new Marine Corps unit if less than three years have elapsed between assignments (i.e., there must be a 3-year break in service with the Marine Corps in order to receive a new Special Initial Service Uniform Allowance).

f. The SISUA which may be furnished to HMs and RPs under the provisions of this Bulletin consist of the following items in the quantities indicated.

Chapter 5

Supplementary Clothing Allowances for Enlisted Personnel
Active and Active Reserve (AR)

1. General

a. Unit commanders are responsible for verifying eligibility to the supplementary allowances for enlisted personnel only as set forth in this Bulletin, per the requirements detailed in reference (a). Certification that the requesting individual's record has been checked and the individual is authorized to the allowance(s) is done by signing either the NAVMC 604, "Combined Individual Clothing Requisition and Issue Slip (Mens)" or NAVMC 604B. "Combined Individual Clothing Requisition and Issue Slip (Women's)". The form must be annotated with the applicable Military Personnel Marine Corps or Reserve Personnel Marine Corps functional account number, per references (a) and (c).

b. Only one entitlement to the same type of allowance will accrue during any one period of continuous assignment to such duty. An individual who has received an allowance will not be authorized a subsequent allowance of the same items upon assignment to duty requiring the wearing of uniform clothing for which the allowance is provided, if less than three years have elapsed between the effective date of the new assignment and the last day of the previous assignment to such duty.

c. Grade insignia, service stripes, trouser stripes, and waistplates may be issued in conjunction with supplementary allowance issues and sewn on (if applicable) at Government expense under the specific circumstances described in reference (a). However, separate NAVMC 604/604B forms with O&MMC appropriation must be used. Commanding officers are responsible for providing accurate O&MMC appropriation data on the NAVMC 604/604B, if they plan to use a Military Clothing Sales Store to issue these items. Units can also requisition directly from the source of supply, per reference (a).

The 36-month period commences on the date of initial issuance of the maternity uniform allowance. This allowance will also be issued to pregnant enlisted Sailors assigned to Marine Corps units who elect to wear the Marine Corps service uniform. Pregnant individuals are required to present to their commanding officer a certificate of pregnancy, signed by a proper medical officer, for entitlement to the maternity uniform supplementary allowance and for subsequent submission of NAVMC 604B.

Requisitions for all maternity uniform items for Reserve personnel will be prepared by the unit supply officer or accountable officer.

9. Notes: Women's Maternity Uniform

a. Issued in conjunction with other maternity items. However, these items are issued only to those pregnant enlisted Marines who are required by the commander to wear the utility uniform.

b. Pregnant enlisted Sailors assigned to Marine Corps units and who are entitled to the special utility uniform allowance will be issued these four items under the same criteria as for pregnant enlisted Marines.

c. Only one of this item to be issued to Reserves.

d. Due to the seasonal uniform requirement, pregnant Marines may be initially issued three sets of maternity work uniforms in either the desert or woodland MARPAT as appropriate. Commanders will determine which uniforms should be issued based on the timing of the pregnancy. Those Marines who will cross over into a different season during their pregnancy may be issued appropriate pattern per the commanders guidance. Uniforms should be issued in sets (coat, trousers and appropriate tapes) and the maximum issue may not exceed three sets.

e. The tunics and short sleeve/long shirts with and without adjustable side tabs will meet the minimum requirement.
