1. Situation

   a. The Marine Corps Enlisted Aide Program (MCEAP) is the overarching program responsible for the recruitment, training, and assignment for duty as a Marine Enlisted Aide (MEA) to General Officers (GOs). The MCEAP consists of those Marines who serve as MEAs; Marines in a training status to become MEAs; Marines assigned to Department of Defense (DoD) Messes as required, including the White House, Secretary of Defense (SECDEF), Chairman, Joint Chiefs of Staff (CJCS), and the Secretary of the Navy (SECNAV); Marines designated as curators at the Home of the Commandants; and the food service Marines assigned to the Commandant’s flight detachment at Fleet Logistics Support Squadron One. Marines serving as MEAs to GOs in quarters are assigned the secondary Military Occupational Specialty (MOS) designator of 3372. Marines who hold the MOS 3372 designator and those assigned, are regulated by references (a) and (c). Reference (c) also establishes the number of Marine Corps MOS 3372s who can be assigned within the Joint community. This Order is in accordance with references (a) through (ae).

   b. Congress has provided the authorization and limitations for the use of enlisted Marines in a service capacity in government quarters in reference (a). References (c) and (d) establish DoD and Department of the Navy (DON) policy governing the use of MEAs. Under references (c) and (d), the MEAs are authorized for the purpose of relieving GOs of those tasks and details, which would otherwise be at the expense of the GO’s primary military and official duties. Authorized MEA duties are those duties that relate to the military and official responsibilities of those officers to whom the MEAs are assigned. These duties include assistance in discharging official DoD social responsibilities inherent in certain Flag Officer (FO) and GO
positions. The propriety of such duties is governed by the official purpose served, rather than the nature of the duties.

c. Because of the unique and essential support this program provides to the senior leaders of the Marine Corps, the Commandant of the Marine Corps (CMC) retains management responsibility of the program. The MCEAP Staff Noncommissioned Officer in Charge (SNCOIC) and Officer In Charge (OIC) reports directly to CMC.

2. **Cancellation.** MCO 1306.18A and Policy Letter 1-17A.

3. **Mission.** To establish policy for the MCEAP.

4. **Execution**
   
   a. **Commander’s Intent and Concept of Operations**

   (1) **Commander’s Intent**

   (a) Working in Direct Support of the Commandant of the Marine Corps (CMC), the Mission of the Marine Corps Enlisted Aide Program (MCEAP) is to:

   1. Assist with the screening and recruiting of Food Service Marines for duty as Enlisted Aides (EAs).

   2. Develop and conduct initial training for MEAs.

   3. Recommend qualified MEAs for billets throughout the MCEAP.

   4. Coordinate intermediate and advanced training.

   5. Conduct an annual MEA conference.

   6. Provide training and assist visits when needed.

   (b) **Criteria for Initial Eligibility and Recruitment into the Marine Corps Enlisted Aide Program (MCEAP) Training Program**

   1. **Personnel**

   a. Must possess the primary MOS of 3381.

   b. Must be screened and meet the requirements of the independent duty checklist.

   c. Must have no less than 36 months remaining on the current enlistment

   d. Must be a corporal or above.
e. Must be within height and weight standards.

f. Must be on the Subsequent Term Alignment Program (STAP) or beyond.

g. Must be eligible for a Secret Clearance.

h. Must be recommended by the chain of command.

i. Must have a current annual physical completed, including certification to be a qualified food handler.

j. Must have completed the appropriate level MOS course (resident) or be slated to attend within 12 months of package submission.

k. Flight crew candidates must meet the standard for flight crews in accordance with applicable Navy regulations.

l. Must be a volunteer.

m. In certain cases, eligibility criteria may be waived on a case-by-case basis by CMC.

2. Screening and Selection

a. Volunteers for the MCEAP must submit an Administrative Action (AA) Form request to the Deputy Commandant for Manpower and Reserve Affairs (DC M&RA). The 3381 Primary Military Occupational Specialty (PMOS) monitor will verify the Marine is eligible to move, valid structure exists in the MCEAP, and career timing supports an assignment into MCEAP. Once the 3381 PMOS monitor determines eligibility, the AA Form will be forwarded to CMC. The CMC will review each candidate and request orders be issued into the MCEAP when candidates are determined suitable for the program.

b. After selection, Marines will be issued Temporary Additional Duty (TAD) orders for a period of two weeks for initial orientation, training, and evaluation by the MCEAP SNCOIC. At the end of the two-week period, the CMC will determine final eligibility for the program based on the recommendation and evaluation of the MCEAP SNCOIC.

c. Candidates who are determined ineligible by the PMOS monitor due to career progression or competitiveness for promotion (passed over, etc.) will not be considered for the MCEAP.
Concept of Operations

(a) Training

1. Initial Training. Marines assigned to the MCEAP will receive initial training that will consist of 30, 60, and 90-day training evaluations, On-the-Job Training (OJT) in-quarters with senior MEAs, and a combination of military and civilian courses. Those courses may include, but are not limited to the following:
   c. American Culinary Federation Certification, location TBD.
   d. Bartending, location TBD.

2. The initial training phase for MEAs will be up to one year in duration. Monthly and quarterly counseling will be conducted to review the progress of each trainee.

3. Intermediate Training. Intermediate level training will be provided for all MEAs who work in-quarters. This training is designed to improve and enhance the skills used in-quarters. MEAs will be afforded the opportunity to attend all resident and non-resident Professional Military Education for grade and MOS. Additional training specifically designed to enhance MEA’s skills in the MCEAP will consist of, but not be limited to the following:
   a. Approved Intermediate Professional Chef Course.
   b. Continuing Culinary Education.
   c. Household Management Course.
   d. American Culinary Federation Training.
   e. Annual MEA Symposium.
   f. Annual Training and Assist Visits.
   g. Bartending, location TBD.

4. Advanced Training. Advanced training will be provided to senior MEAs who work in high profile quarters or those
MEAs selected for high profile quarters. This training will consist of, but not be limited to the following:

- a. Household Management or other advanced estate management course.
- b. Approved Advanced Professional Chef Course.
- c. Baking/Pastry Program and Cake Decorating Master Program.
- d. American Culinary Federation Training.
- e. Annual MEA Symposium.
- f. Annual Training and Assist Visits.
- g. Protocol School of Washington Protocol Officer Training, Public Speaking, Emotional Intelligence Course.
- h. Approved Basic/Advanced Flower Decorating Course.

(b) Assignment

1. MEAs’ assignments will be released annually via CMC Slate Letter. CMC will submit the assignments request to DC M&RA. MEAs will be selected for duty in-quarters through an interview process. An interview package, including but not limited to biography, basic training record, etc. and any additional supporting documentation will be provided to the MCEAP SNCOIC and selecting GO for review prior to the interview. When possible, the in-person interviews will be conducted with the GO. In situations where in-person interviews cannot be facilitated, video teleconference or telephonic interviews may suffice.

2. DC M&RA, via the 3381 PMOS monitor, will assign approved Marines to the MCEAP with the issuance of Permanent Change of Station/Permanent Change of Assignment (PCS/PCA) Orders. Security clearances must be approved prior to MEA assignment to quarters.

3. The MOS 3372 designation will only be assigned to Marines while working in-quarters directly for a GO.

4. Marines assigned to the MCEAP will be given every opportunity to interview for assignment to a GO as a MEA. Marines who interview, but are not selected for assignment to a GO, will be retained in the MCEAP at the discretion of the CMC as staffing goals permit or overstaffing is approved by M&RA.
5. The MCEAP SNCOIC and the 3381 PMOS monitor will maintain a list of MCEAP Marines assigned to valid 3381 staffing goals with at least 24 months’ time on station.

(c) Special Conditions

1. The CMC’s flight detachment consists of enlisted food service Marines personnel who will further be designated as a Transport Safety Specialist (TSS) and a qualified Aircrewman. Tasks include but are not limited to: providing in-flight meals; hospitality; and safe and efficient transportation for the SECNAV, CMC, Chief of Naval Operations, Assistant Commandant of the Marine Corps (ACMC), and senior leaders of the DoD and the DON to domestic and international destinations. This position will only be filled by Marines possessing the highest professional qualities, with excellent culinary skills and the ability to work independently under stressful conditions. Marines will only be considered for assignment to the flight detachment if they have a proven record of service through high proficiency, conduct and fitness reports markings, and a positive command endorsement. Marines must have a minimum of an Intermediate Swim Qualification.

2. MCEAP Marines must maintain Marine Corps training standards, to include height and weight standards, and pass the annual Physical Fitness Test and Combat Fitness Test. In order to maintain proficiency and stay competitive with peers, Marines are required to qualify annually with the service rifle and pistol where ranges and quotas are made available.

3. Service as a MEA is voluntary. MEAs may request release from the duty at any time via the chain of command to the CMC. Marines approved for release by CMC will remain in the pool of qualified MEAs maintained by the MCEAP SNCOIC and the 3381 PMOS monitor and will further be reassigned within the 3381 PMOS according to valid staffing goals. Involuntary vacation of the billet for the “Good of the Service” is non prejudicial in nature and the Marine may be allowed to remain in the pool of qualified MEAs and will be reassigned based on the needs of the Marine Corps. Relief for cause is derogatory in nature, normally as a result of documented misconduct, unsatisfactory performance, or failing the USMC physical and body composition standards. In cases of relief for cause, the Marine, in coordination with MMEA, will be reassigned or accordingly processed based on the needs of the Marine Corps.

4. The CMC will conduct an annual structure and manpower review of the MCEAP to balance the needs of the operating forces with the requirements of the GOs supported by the MCEAP.

5. In the National Capital Region (NCR), MEAs will provide food service support to the CMC, ACMC, and approved GOs and FOs.
6. Loaning and sharing of MEAs is only authorized for GOs who are authorized a MEA and required to support official Marine Corps Qualifying Representational Events (QREs) as part of their official duties. To assist in supporting official QREs, GOs (not assigned a MEA) may obtain the service of a MEA who is assigned to another GO. In this circumstance, the GO seeking MEA support may request MEA support from another GO who is authorized and is currently assigned a MEA. To support these requests, the GO (who is currently assigned a MEA) must first review the requested event and determine whether it is a QRE and subsequently the support of his Aide. If the event is determined to be a QRE, the supporting GO will be required to designate the supported GO (who is seeking support) as his or her representative. See Appendix B for guidance on loan and sharing requests.

7. In order to gauge interest in applying for the MCEAP, 3381 Food Service Specialists may, while on duty, volunteer to observe and assist a MEA performing their duties. The observation period will consist of observing and assisting a MEA during QREs. This observation period is only authorized when (1) the General Officer being supported approves; (2) the Marine has the intent to submit a package for the MCEAP; and (3) the Marine volunteers to observe and assist through his or her chain of command. Food Service Specialists invited to observe and assist during a normal workday or a QRE must participate voluntarily. The MEA evaluating the Marine during the observation period will submit a written report to the MCEAP SNCOIC within ten (10) working days.

8. Nothing contained in this Order precludes the employment of off-duty enlisted personnel by officers on a voluntary paid basis. Payment of such services should be reasonable and commensurate with the service rendered. Deciding on a reasonable rate can be complicated, but there are a few items that can help define a fair value “prevailing wage” agreement. The pay is not based on the EAs pay grade, but on the job to be performed. Jobs have various payment rates. For example, meal preparations and serving will have different rates because of the skill level required. The prevailing wage is also set by the region in which the work is being performed. The best source to develop a reasonable and commensurate pay is the “jobs prevailing wage” for that region as listed in the Bureau of Labor Statistics Web site at [http://www.bls.gov](http://www.bls.gov). This is the median pay and is therefore only a guide. The pay rate should be mutually acceptable and commensurate with the local prevailing wage standard. An agreement or memorandum for the record, written and signed by all parties, is recommended.

b. Subordinate Element Tasks. MCEAP will provide an annual budget, via Marines Barracks Washington to I&L, Marine Corps Installation Command (MCICOM), G-4, Food Service and Subsistence Branch. MCEAP requirements will be incorporated into MCICOM’s annual Program Objective Memorandum (POM) submissions. Requirements will be funded based on availability of funds.
5. Administration and Logistics

a. Records Management. Records created as a result of this Order shall be managed according to National Archives and Records Administration (NARA)-approved dispositions in reference (h), SECNAV M-5210.1, to ensure proper maintenance, use, accessibility, and preservation, regardless of format or medium. Records disposition schedules are located on the Department of the Navy/Assistant for Administration (DON/AA), Directives and Records Management Division (DRMD) portal page at: https://portal.secnav.navy.mil/orgs/DUSNM/DONAA/DRM/Records-and-Information-Management/Approved%20Record%20Schedules/Forms/AllItems.aspx. Refer to reference (i), MCO 5210.11F, for Marine Corps records management policy and procedures.

b. Privacy Act. Any misuse or unauthorized disclosure of Personally Identifiable Information (PII) may result in both civil and criminal penalties. The DON recognizes that the privacy of an individual is a personal and fundamental right that shall be respected and protected. The DON's need to collect, use, maintain, or disseminate PII about individuals for purposes of discharging its statutory responsibilities shall be balanced against the individuals' right to be protected against unwarranted invasion of privacy. All collection, use, maintenance, or dissemination of PII shall be in accordance with reference (b), the Privacy Act of 1974 (5 U.S.C. § 552a), as amended, and implemented in reference (g), SECNAVINST 5211.5F.

6. Command and Signal

a. Command. This Order is applicable to the Marine Corps Total Force.

b. Signal. This Order is effective on the date signed.

APPENDIX C

UNAUTHORIZED ENLISTED AIDE (EA) DUTIES

1.
