1. Situation

a. A hallmark of the Marine Corps is that fellow Marines are not left behind or abandoned in time of need. This ethos has sustained fighting units over the last two centuries, and is critical in maintaining the unit cohesion required for effective warfighting. Unauthorized absence and desertion constitute serious violations of military discipline by reducing military effectiveness and warfighting capabilities. Absentees and deserters impose additional burdens on commanders and fellow Marines, as well as decreasing unit morale and cohesion.

b. The absence of an active and aggressive absentee and deserter apprehension program is a peacetime luxury that will result in serious consequences in time of sustained conflict. The presence of such a program serves as a deterrent and encourages Marines to remain with their units and fulfill their service obligations.

c. The Deputy Commandant, Plans, Policies, and Operations

DISTRIBUTION STATEMENT A: Approved for public release;
distribution is unlimited.

(DC PP&O) is accountable to the Commandant for the efficient management and effectiveness of the Marine Corps Absentee and Deserter Apprehension Program. DC PP&O exercises this responsibility through a centrally managed program coordinated by the Head, Law Enforcement and Corrections Branch (PSL), Security Division (PS).

(1) The Head, Law Enforcement and Corrections Branch (PSL), Security Division (PS), is the Headquarters advocate and principal staff officer for policy oversight and management of the Marine Corps corrections program. Policy is established in accordance with reference (a).

(2) The Head, Corrections Section (PSL Corrections), administers the Marine Corps Absentee and Deserter Apprehension Program while serving as the OIC, Marine Corps Absentee Collection Center (MCACC).

2. Cancellation. MCO 1620.3 and MCO 5800.10B.

3. Mission. The mission of the MCACC is to investigate the location of deserters; establish and maintain liaison with civilian law enforcement agencies to encourage their active participation in absentee and deserter apprehension efforts; initiate apprehensions; expedite notification procedures; and provide escorts for the purpose of transporting absentees, deserters, and prisoners as directed by the Commandant of the Marine Corps.

4. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. The Marine Corps will actively and aggressively investigate, locate, and affect the apprehension and return to military control of absentees and deserters, and release such information concerning the absentee and deserter apprehension program in an effort to deter absenteeism and desertion. Execution of this policy is assigned to the MCACC.

(2) Concept of Operations. The MCACC reports operationally for tasking and technical guidance to the Commandant of the Marine Corps (CMC); Plans, Policies, and Operations (PP&O), Security Division (PS); Law Enforcement and Corrections Branch (PSL); Corrections Section (PSL Corrections). The MCACC is composed of a Headquarters Element, the Deserter

Information Point (DIP), and two Marine Corps Absentee Collection Units (MCACUs) located at: HQMC, Washington, D.C. and MCRD, San Diego, CA.

b. Subordinate Element Missions

(1) Deserter Information Point (DIP). The DIP is a 24-hour control center for deserter operations. The DIP maintains a Federal Bureau of Investigations, National Crime Information Center (NCIC) Terminal, and has access to the Marine Corps Total Force System (MCTFS) and a variety of law enforcement resources to monitor the absentee and deserter population. Phone numbers for the DIP are (703) 604-3667 or 0395, DSN 664, fax (703) 604-6666. The DIP maintains the integrity of the NCIC database; accountability of active DD 553's (Deserter/Absentee Wanted by the Armed Forces); accountability of deserters in hands of civil authorities (IHCA) or hospitalized; ensures accuracy of daily return to military control (RMC) reports, and other reporting information as required per references (a) and (b); and performs various other duties as required.

(2) Marine Corps Absentee Collection Units (MCACUs)

(a) MCACU's provide regional deserter caseload coverage of the continental United States in support of the MCACC mission. MCACU Washington D.C. phone numbers are (703) 604-4313/4317/4130/4255, DSN 664. MCACU San Diego phone numbers are (619) 524-0411/0872/0871/0394/0395, DSN 524.

(b) Each MCACU provides escorts that are trained and certified for the transport of absentees, deserters, and prisoners per reference (b).

(c) Escorts travel armed as required per Federal Aviation Authority Regulations.

(3) Commands

(a) Absentees and deserters degrade the overall morale and readiness of the Marine Corps, and proper administration is critical to facilitating their return to military control. Reference (c) sets forth procedures and responsibilities for the processing of Marine Corps absentees and deserters.

(b) When directed, Commanders will establish and maintain liaison with civil authorities for absentees and

deserters that are IHCA or hospitalized. Status changes will be provided to the MCACC as soon as they become known. Bases and stations will normally be assigned these duties unless it is considered unfeasible due to geographic location. In such cases, Inspector/Instructor Staffs will be assigned. For assignment purposes, geographical areas of responsibility for each Marine Corps Reserve, Inspector/Instructor Staff are derived from the first three digits of the zip code for the geographical area in which the Marine is present and are contained in enclosures (1) and (2).

(c) Join absentees or deserters to their rolls per reference (c) and as directed by the MCACC.

(d) Issue stragglers orders to absentees or deserters per reference (c) and as directed by the MCACC.

(e) Initiate and complete administrative separation procedures per reference (d) and as directed by the MCACC.

(f) Ensure all unit diary reporting requirements are complete per reference (e).

(g) Ensure disposition of service, health, and dental records per reference (c) and (f).

5. Administration and Logistics

a. Marines assigned to the MCACC/MCACU will be screened for independent duty by their commanding officer per reference (g) utilizing the MOS 5831, Chaser Duty Screening Checklist provided at <https://www.manpower.usmc.mil> (MMEA-82B-Military Police/Corrections Monitor Website).

b. In addition to the requirements contained in reference (h) for MOS 5831, personnel desiring assignment to the MCACC must also meet the following selection criteria:

(1) MOS 5831 (Corrections Specialist).

(2) Minimum grade of Corporal.

(3) Minimum of three years experience in MOS 5831.

(4) Suitable character, integrity, reputation, discretion, and stability as established by past performance and personnel records.

DEC 27 2011

c. Upon assignment to the MCACC/MCACU, Marines must successfully complete required training and be certified by the OIC, MCACC prior to being assigned duties as escorts or assignment to the DIP.

d. Law Enforcement credentials will be issued to Marines performing MCACU duties.

e. Certification will be terminated when Marines no longer meet the criteria established by this Order, or as determined by the MCACC, OIC.

f. Records Management. Developers, owners, and users of all Marine Corps information systems have the responsibility to establish and implement adequate operation and information technology controls including records management requirements to ensure the proper maintenance and use of records, regardless of format or medium, to promote accessibility and authorized retention per the approved records schedule and reference (i).

g. Electronic version may be obtained via the Marine Corps Publications Electronic Library website at <http://www.usmc.mil/directiv.nsf/web+orders>.

6. Command and Signal

a. Command. This Order is applicable to the Marine Corps Total Force.

b. Signal. This Order is effective the date signed.
