MARINE CORPS ORDER 5216.9W

From: Commandant of the Marine Corps

To:

Distribution List

Subj: HEADQUARTERS U.S. MARINE CORPS (HQMC) ORGANIZATION AND ORGANIZATION CODES

Ref:

- (a) MCO P5110.4A
- (b) SECNAVINST 5216.5D
- (c) NTP 3 (Navy Telecommunications Users Manual)
- (d) MCO 5600.31

Encl: (1) HQMC Organizational Directory

- (2) HQMC Organization Chart
- Situation. To publish current information on the HQMC organization, and to direct use of HOMC organization codes on communications from and to the Marine Corps.
- 2. Cancellation. MCO 5216.9V.

3. Mission

- a. Place HQMC organization codes on mail (correspondence and envelopes) from and to the Commandant of the Marine Corps (CMC). These codes identify the HQMC originator and the intended HQMC recipient.
- Organization codes and symbols, when known, are required for each addressee (except commercial addressees) on all naval messages originated by the Marine Corps. Place organization codes and symbols in the "From," "To," and/or "Info" lines on messages immediately following the Plain Language Address (PLA). Use the organization codes listed in enclosure (1) when addressing messages to the CMC.
- Consolidate outgoing correspondence per paragraph 4001 of reference (a). Place the phrase "CONTAINS CONSOLIDATED CORRESPONDENCE" on the lower left quadrant of the outside envelope when mailing the consolidated correspondence to the CMC. Properly address each piece of mail inside the envelope; a proper address includes the correct HQMC organization code in parentheses. Follow the examples below:

Commandant of the Marine Corps (*) Commandant of the Marine Corps (*) Headquarters, U.S. Marine Corps Headquarters, U.S. Marine Corps 3000 Marine Corps Pentagon 2 Navy Annex Washington, DC 20380-1775 Washington, DC 20350-3000 Commandant of the Marine Corps (*) Commandant of the Marine Corps (*) Headquarters, U.S. Marine Corps Headquarters, U.S. Marine Corps 2008 Elliot Road 3280 Russell Road Quantico, VA 22134-5103 Ouantico, VA 22134-5030

*Enter the organization code here; e.g., AR, MMEA, MPC, etc.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

d. Refer to references (b) and (c) for amplifying guidance on correspondence and message preparation.

4. Execution

- a. Enclosure (1) is a detailed breakdown of HQMC organizations and their codes. Enclosure (2) depicts the major staff agencies of HQMC (departments and separate divisions).
- b. The Headquarters Mail Center routes correspondence by the organization code listed in the address. If a code is not in the address, the envelope must be opened and the correspondence reviewed to determine its proper routing; this delays mail delivery (HQMC receives and routes thousands of pieces of mail each day).

5. Administration and Logistics

- a. The Information Systems Management Branch, Administration and Resource Management Division (ARI), at HQMC, no longer provides Automated Message Handling System (AMHS) support for drafting, releasing, viewing or addressing messages. Those support responsibilities have been consolidated at the Area Control Center (ACC), Marine Corps Base, Quantico. AMHS questions should be directed to the Quantico ACC, at (703)784-2111.
- b. Existing Marine Corps directives and forms will not be revised solely to modify or change the originator's organization code. Such changes will be made when it is necessary to revise the directive or form for other reasons. At their own discretion, commands are authorized to make pen corrections to enclosures (1) and (2).

6. Command and Signal

a. This Order is applicable to the Marine Corps Total Forces.

b. This Order is effective the date signed.

A. A. WASHINGTON By direction
