(1) Members who enlist, reenlist, or extend in the SMCR for a period of not less than 6 years shall, at the time of such agreement, complete an SOU.

(2) The SOU is a part of the enlistment/reenlistment contract and shall be part the member's official service record. It is required to document the agreement to serve in the SMCR for a minimum of 6 years but alone is not documentation of basic eligibility. By using one thin black line out, initials by the authenticating officer and/or clearly printing/typing the replacement information, the following changes shall be made to the SOU:

(a) Paragraph 2a, delete "During the period 1 July 1985 through 30 June 1988" and insert "After 30 June 1985".

(d) Paragraph 2e, for new obligations executed after 30 September 1990, delete entirely.

(e) Add paragraph 2f: "I agree to remain in the SMCR until (date) to qualify for MGIB-R benefits." For officers, paragraph 2f shall also contain the sentence: "I understand that this agreement does not constitute an application for SMCR service or obligate the Marine Corps in any way to extend or retain me in the SMCR."

(3) The NOBE alone is necessary and sufficient to document a member's initial basic eligibility. Only one DD Form 2384 or 2384-1 shall be issued to each entitled member. DD Form 2384, Oct 85, may be used through June 30, 1992 in those instances where DD Form 2384-1 has not reached using units through the supply system.

(4) By using one thin black line out, initials by the authenticating officer, and/or clearly printing/typing the replacement information, the following changes shall be made to the NOBE DD Form 2384 only:

(a) Paragraph 2a, replace "During the period 1 July 1985 through 30 June 1988" with "After 30 June 1985".

(5) Immediately upon meeting all basic eligibility criteria, members shall be issued an NOBE. Preparation instructions for the NOBE are contained at enclosure (5).

(6) A corrected copy may be issued to correct an erroneous date of basic eligibility. A corrected DD Form 2384 or 2384-1 shall be clearly marked "CORRECTED COPY."

c. Termination of MGIB-R Basic Eligibility

(1) Individuals who transfer or separate from the SMCR will be automatically terminated from the program. Recoupment of a portion of benefits paid and penalty will be made in cases of voluntary transfer/separation from the SMCR or involuntary separation for failure to meet established standards of performance and conduct which preclude completion of the service commitment that established eligibility for the MGIB-R. Recoupment actions will not be taken for cases of voluntary transfer to active duty.

(2) Individuals who fail to perform or participate satisfactorily in the SMCR shall have their MGIB-R eligibility terminated. Unsatisfactory participation is defined for the MGIB-R as the accumulation of nine unexcused absences from inactive duty training in any consecutive 12-month period, or the unexcused absence from annual training or other required active duty for training in the SMCR. Performance of Equivalent Instruction or Duty may mitigate unexcused absences in the determination of unsatisfactory participation. Suspension of MGIB-R eligibility for unsatisfactory participation is not authorized. Unsatisfactory participation will result in recoupment of benefits and penalty unless waived by the CMC (RAM).

(3) Individuals who receive a senior ROTC scholarship will have their eligibility terminated. Termination will be effective on the date the scholarship is accepted. Benefits paid after acceptance of an ROTC scholarship are considered overpayments and subject to recoupment by the VA.

(4) Once terminated, MGIB-R eligibility cannot be reinstated.

23 Aug 93

d. Waiver of Continued SMCR Service Requirement for MGIB-R. During the period of 1 October 1991 to 30 September 1995, a member of the Selected Reserve who has received a notice of basic eligibility of entitlement to educational assistance (DD Form 2384 or 2384-1) and is involuntarily separated from the SMCR shall be eligible for the educational assistance until the end of the 10-year period beginning on the date of initial eligibility for benefits on the DD Form 2384-1. Further, to be eligible for this waiver:

(1) The CG, MARRESFOR must determine that the involuntary separation from an SMCR unit is the result of unit deactivation/relocation or a reduction in authorized billets, or

(2) The CMC (RAP) must determine that the involuntary separation from an Individual Mobilization Augmentee (IMA) billet is the result of a reduction of IMA billets.

e. Suspension of MGIB-R Basic Eligibility

(1) A Marine may be temporarily released from the SMCR without permanent loss of MGIB-R eligibility. Release may be authorized for up to 1 year for valid reasons, or up to 3 years when a religious missionary obligation is involved. Officers and enlisted requests for release will be submitted via the chain of command to the CMC (RAM).

(2) Only one voluntary release is authorized during the 10-year benefit period.

(3) When temporary release is approved, the Marine's MGIB-R eligibility is suspended per reference (c).

(4) Upon return from a period of authorized temporary release from the SMCR the Marine's 6-year SMCR obligation will be extended for a period equal in length to the period of temporary release.

(5) An extension is not required if the qualifying 6-year SMCR obligation has been completed.

(6) Suspension of MGIB-R eligibility for unsatisfactory participation is not authorized.

(7) Penalties. Failure to participate satisfactorily in required duty in the SMCR will result in recoupment of previously paid benefits, in the form of penalties, per reference (a).

DISCUSSION ON MGIB-R ELIGIBILITY

1. Eligibility. Since 1 July 1985, only officer and enlisted personnel without a baccalaureate degree, could qualify for the MGIB-R Program, if they met the eligibility criteria outlined in this Order. After 1 October 1990, officers and enlisted personnel with a baccalaureate degree can qualify for the MGIB-R Program.
2. When all eligibility criteria have been met, the eligible person is given a copy of the NOBE. Once the NOBE is presented to a VA representative with a completed application for MGIB-R benefits, the VA's adjudication process for benefits starts.
3. VA's Adjudication Process. The process requires verification of eligibility data passed to them from the Marine Corps Reserve by electronic transfer. If the correct eligibility data is not in the VA's computer system at the time of initial processing, they will pay the benefit for 120 days, pending receipt of the correct data. The initial 120 days of benefits will be paid, based on the presentation of the NOBE by the eligible person. If the correct eligibility data is not received by the VA's computer system after 120 days, benefits will be stopped.
4. Once the application for benefits is approved, the eligible person is entitled to 36 months of benefits at the full-time rate.
5. If the member is eligible for the benefits under another VA educational assistance program, benefit entitlement could be approved for 48 months. Consult the VA for additional information.
6. Personnel should contact their Reserve unit admin office if they have questions concerning MGIB-R eligibility.
7. If enrolled full-time, and the course(s) of education is (are) approved by the VA, the monthly benefit of 190 dollars will be mailed directly to the eligible person. The 190-dollar maximum benefit rate will be reduced if a member enrolls in a non-VA approved course of education even though the level of enrollment is full-time.
8. Personnel should contact the VA for counseling to resolve MGIB-R benefit level disputes.
9. The Marine Corps Reserve can not solve disputes between MGIB-R eligible personnel and the VA over the MGIB-R benefit level.

2. BASIC ELIGIBILITY CRITERIA			
I meet the eligibility criteria for the Selected Reserve Educational Assistance program authorized in Chapter 106 of title 10, U.S. Code, as follows:			
a. On or after October 1, 1990, I have agreed to serve six years in the Selected Reserve. If I am an officer, I agree to serve in the Selected Reserve for six years in addition to any other period of obligated Selected Reserve service I am required to perform.

d. I am not receiving financial assistance under Section 2107 of title 10 U.S.C. (ROTC Scholarship).			
3. SATISFACTORY PARTICIPATION			
My basic eligibility to educational assistance benefits depends upon serving satisfactorily the complete 6-year term in the Selected Reserve as prescribed by military regulations. Failure to participate satisfactorily in required Reserve training means I will not be eligible for any benefits from the date of the unsatisfactory participation. If I fail to participate satisfactorily as a member of the Selected Reserve, I understand I will permanently lose all entitlements under this program and may be:			
a. Ordered to involuntary active duty for a period of up to two years or the period of my obligated service remaining, whichever is less, or

I understand that I must reobligate for any approved period of nonavailability upon reaffiliation with a Reserve component. Failure to affiliate with the Selected Reserve at the end of this period will result in permanent ineligibility to benefits. Only one approved release is permitted during the 10 year benefit period.			
6. EXPIRATION			
My entitlement to unused educational assistance benefits will normally expire on the earlier of the following two dates:			
a. The 10th anniversary of eligibility to benefits if I remain a member in good standing during that period.
